Heritage of Edina

50th Anniversary!

is proud to present its 5-star senior/assisted living community.

Dear Maria,

Writing to compliment and thank you for the wonderful Heritage staff that has cared for Mom since she moved to Heritage in October. They made a difficult move from her home of 55+ years easier. Naming names is always dangerous for fear of missing some...Lynn, Lisa, Laina, ALL the healthcare aides on 2nd floor Manor, LaNaye, Sandy and LaVonne, Daniel, Rebecca and ALL the activities dept., housekeeping and maintenance! We were overwhelmed with gratitude for all the kind, caring people Mom had contact with. We never heard a harsh word from a single one. Mom loved the people of Heritage. The last days after Mom's massive stroke, the 2nd floor Manor staff gave above and beyond care for Mom and our entire family as we waited for the Lord to take her home.

Thanks to you and your entire staff, and especially those on 2nd floor Manor. Their love and kindness will long be remembered by Mom's family.

God bless you all!!
