

Essential Caregiver Use of Eye Protection Instructions

Eye protection (face shield or safety goggles) will be worn at all times while in the buildings of Heritage of Edina. Eye protection is to be cleaned before you come to Heritage of Edina for your EC visit.

Directions for cleaning eye protection:

- 1) Perform hand hygiene for 20 seconds
- 2) Apply gloves
- 3) Clean the plastic area of the eye protection with disinfecting solution, starting with the **inside** of the face shield first and then clean the outside.
- 4) Dry the eye protection with a paper towel or allow to air dry
- 5) Remove gloves
- 6) Perform hand hygiene for 20 seconds
