

COVID-19 UPDATE July 20th 2022

HERITAGE OF EDINA HAS 1 RESIDENT IN OUR TIFFANY BUILDING TEST POSITIVE FOR COVID-19 TODAY AFTER HAVING EXPOSURE WITH AN ASYMPTOMATIC POSITIVE COVID VISITOR. SINCE ALL OF OUR RESIDENTS ARE VACINATED, THE MDH RECOMMENDS TARGETED OUTBREAK TESTING AFTER CONTACT TRACING. WE WILL BE ALLOWING VISITATION TO CONTINUE. *WE DO NEED TO INFORM YOU THAT VISITING IS NOT RECOMMENDED*, BUT IF YOU CHOOSE TO VISIT YOUR LOVED ONE WHILE WE ARE IN OUTBREAK STATUS, YOU NEED TO BE AWARE OF THE RISK OF EXPOSURE TO COVID-19. IF YOU CHOOSE TO VISIT, YOU MUST FOLLOW BASIC INFECTION CONTROL GUIDELINES:

- Complete guest check-in at the kiosk located at the front entry of the Rembrandt building. A nametag will print out which is to be worn at all times during your visit.
- Facemasks covering nose and mouth are to be worn at all times.
- Excellent hand hygiene.
- Social distancing from all residents and staff.
- Go directly to the room.
- Visit in the room unless otherwise directed.
- Exit the facility directly after your visit.

Please check our website at Heritageofedina.com or our Facebook page for further updates.
